Dear Austin R Evers:

This letter is in response to your Freedom of Information Act (FOIA) request which was received by our office on 2/6/19, in which you requested:

All email communications (including email messages, attachments, calendar entries, or calendar invitations) between NOAA officials in the Immediate Office of the Assistant Secretary of Commerce for Oceans and Atmosphere and Jeffrey Clark in his position at Kirkland & Ellis LLP (jeffrey.clark@kirkland.com).

Please provide all responsive records from September 1, 2005, through January 20, 2009, and January 20, 2017, through October 31, 2018.

In addition to the records requested above, American Oversight also requests records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched and any tracking sheets used to track the processing of this request. If your agency uses FOIA questionnaires or certifications completed by individual custodians or components to determine whether they possess responsive materials or to describe how they conducted searches, we also request any such records prepared in connection with the processing of this request.

We did not find any documents responsive to your request.

If you have questions regarding this correspondence please contact the NOAA FOIA Public Liaison Ed Kearns at (828) 273-1998. Please refer to your FOIA request tracking number DOC-NOAA-2019-000637 when contacting us.
